\* Eligibility: Note that the eligibility criteria can change per round. For a full description of eligibility criteria, please refer to the [NWO website](#) and the [ERC Work Programme](#).

For **female researchers with children** the eligibility window of these personal grants (Innovational research, ERC grants) is extended by 1,5 years per child, irrespective of whether the child is born before or after the PhD defense. **Other parents** get a 6 month extension per child. Please check the [NWO website](#) for specifics.

\*\* The deadlines for these calls occur annually, but note that candidates can only prepare an application for NWO/ERC grant deadlines *after* the year 2019, thus 2020/21, as indicated in the sheet above.
